**Property Taxes and Transfer Fees**

**TAXCD15 Extension of authority to propose property tax levies to joint county health boards**

**R.C. 3709.29, 5705.01**

Authorizes a joint county health board to propose property tax levies directly to voters of the combined health district to pay the district's expenses. (Currently, only single-county general health districts may propose tax levies, and only through their respective boards of county commissioners. Otherwise, general health districts' local sources of tax revenue come from taxes levied by the district's constituent townships and municipal corporations.)

**Fiscal effect: May increase property tax revenues to joint county health districts.**
